## OPEN LETTER FROM YOUR SOCIAL CLUB

We had the best month of all this February.

Thank you to all who attended the Valentine's Dance with the Dukes. Special attention to detail by Ilene Nutting, Eileen Goldstein, Gary & Carol Wilcox, Chick & Annmarie Shackewyc, Dave & Barb Livingston, Terry & Mim Gardner and Bill & Donna Quinn for making this event such a success.

We had approximately 105 people in attendance.

We had 13 door prizes and thank you to those who donated them. We really appreciate it. In all, we had a great evening.

I would like to thank all who attended the crazy Egg In A Bag. We had approximately 100 people plus at the first Egg In A Bag this year. A big thank you goes out to Jim & Judi Leitzke, Directors, Bill Donlon, Toody Sexton, Marty Stephens, Tom Carter, Tom Cooper, Doris Sutfin and Delbert & Linda Hillman for all their work as the Egg In A Bag crew. Job well done. This was another February success.

Spaghetti Dinner was a great success. We had over 100 people. Thank you to Andy & Margaret Castonguay and crew for a job well done.

The first Meat Bingo we ever had hosted by Terry Satterlee and Ed & Eileen Goldstein was a giant success. We now have a new language at Grand Horizons. MOO MOO, OINK OINK, CLUCK CLUCK. We had 44 people attending. There were 7 winners for the 6 games played. We're looking forward to the next game.

We had our first Karaoke in the year hosted by Gary Wilcox and Paul & Freda Williams. We are now looking for a record deal from the Karaoke singers.

If you know of a company who wants to advertise in our newsletter, please contact me. Ed Goldstein 813-322-3543.

We are still looking for an Assistant Secretary. To anyone who is interested, please contact me.

Let's start 2020 with Peace, Compassion, Consideration and Positive feelings

Disruption and unhappiness can start with a small wave of gossip or half truths and turn into a tsunami rushing through the community. Get both sides of the story, make your own conclusion and maybe smooth the waters. Harassment and bullying can not be tolerated. Life is too short and getting shorter every day.

Zephyrhills is a small town and gossip travels between communities. Your reputation is a very important asset. It goes every where you go and sometimes precedes you. It always catches up to you and is proven true or false.

Just because things are not done to your satisfaction, the way it was done up north or in another community does not make it wrong. New Math is not what we were taught but the results are the same.

The HOA Board is given the responsibility of maintaining, replacing or improving our common property. The common property is part of our investment and theirs. The Board has a very qualified attorney, licensed CAM and CPA to give them direction as needed. Our attorney helps draft Florida Laws for communities like Grand Horizons.

When Board members are elected or appointed that does not include their spouse, neighbor or best friend. All seven Board members will work for the benefit of our beautiful community. They will never make everyone happy but the majority rules.

If you have a concern or question talk to the Board member or persons involved. It is called **COMMUNICATION, Folks.**

May you all have **PEACE, HAPPINESS and GOOD HEALTH** for 2020. - Sandy Lindke

Please attend the Social Club events. Your attendance is vital to keeping the Social Club going. Without the Social Club, we don't really have a community.

**Game Day**  
**With Rita**  
*Sundays at 2:00 unless otherwise stated*  
*Let us have fun together!*

## APPRECIATION DAY

There will be an Appreciation Day celebration on March 15, 2020. It will be held at the community center at 1:00 PM.

This is a luncheon to say "THANK YOU" to all of you who have donated your time and talents to make Grand Horizons a wonderful place to live.

Chuck and Shirley Carson and Ron and Joyce Bell will be your hosts.

The menu will be pizza and salad with dessert.

All Grand Horizons volunteers and their spouse are welcome.

Sign-up sheet is in the community center. Deadline is March 8, 2020. Please call Joyce Bell at 203-913-0843 for info.

## WILD ANIMAL FEEDING

It is against Florida law to feed the wild animals and birds. There is plenty of natural food for them. Bird feeders draw more than birds. They attract rats, raccoons, opossums, squirrels, etc which can carry diseases. These animals can also cause damage to your home. They have been known to nest in the insulation and chew through water pipes and electrical lines. They have nested in car engine compartments and chew wires and belts.

If you feed the feral cats then they become your responsibility. Let them keep the rat population down or erased. Cats also nest and multiply under homes. Trap the cats and get them neutered and vaccinated. Your house cat is not to run loose in the community even at night.

If you like to watch the birds, plant bird and butterfly friendly plants in your yard. Let nature feed the wildlife and you can enjoy the colorful plants.

In the past we have had homes damaged by pellet and BB gunshots from residents trying to keep animals away from their bird feeders. The person doing the damage will be responsible for any repair or replacement needed. This is a danger to your neighbors and the police will be notified.

Please be a considerate neighbor.  
Sandy Lindke, President GHHOA

## Ladies Lunch Bunch

Once again, we had a wonderful group of Grand Horizons ladies at the January's Luncheon. Thank you, Lynne-Rae Dyson for your help.

**Next luncheon is on: Tuesday March 3, 2020**

**Place: Sergio's 35233 S R 54 West – Zephyrhills FL**

**Time: Reservations will be for 11:30 AM. Please meet at the community center at 10:45 AM, so everyone is assured a ride to the restaurant.**

The sign-up sheet is at the Community Center. Please join us as and bring a friend along. We have a great time and enjoy wonderful meals and make new friends. All Grand Horizons ladies are welcomed. If anyone would like information, please call Joyce Bell at 203-913-0843.

**Spring Flowers brings...well family and friends for a visit!**

Couple reminders for those of us who are expecting "youthful" visitors to our community...

Skateboards, roller skates, and hoverboards are not allowed within the Community. If you have family or friends who want to use these, please take them to one of the public parks that allows it in Zephyrhills.

Also, golf carts can only be driven by a resident or a guest with a **valid driver's license** and only if covered by the Resident's homeowner's liability insurance policy. Please make sure that any young children or adults who are not licensed are not driving. It's for their protection, the protection of your neighbors, and others who might be visiting.

Thank you,  
Bill Huckeby  
Chairperson Rules and Regulations.

**FACILITIES MEETING**

Facilities Meetings will be held on the last Wed of the month at 9:00 AM after Coffee Hour. March Facilities will be on Wednesday March 25 at 9:00 AM.

Sandy Lindke, President

**MAH JONGG**

On January 22nd, Linda Bartle, Judi Davis, and Betty Moores won 4 games each

On January 29th Helene Rubenstsein won 4 games

On February 5th Judi Davis won 5 games

On February 12 Linda Bartle, Judi Davis, and Gloria Rivord each won 1 game.

We play every Wednesday at 1:00 til 4:00. You can come anytime and play and leave early. Come on down and learn to play.

**Notice from Rules and Regulations...**

As many of you have received the newest Rules and Regulations, please note that one of the changes regards fences. Under Section L - Fences item 5 specifies that "Fences which are constructed and affixed in a "post to post" manner are prohibited."

Currently, those residents whose homes have an existing fence are allowed to keep those fences. However, to keep the records up to date and insure that any future ALC requests regarding your fence can be successfully reviewed and approved we need each resident/homeowner to notify the ALC Committee Chair that you have a fence.

Please contact Bill Huckeby at [alc@grandhorizonshoa.org](mailto:alc@grandhorizonshoa.org) or drop a note for the ALC and notify us that you have a fence. Please make sure to include your street address and/or lot number and name. We will insure this noted in your records so that there won't be issues in the future. We are asking for all updates to please be sent to us by June 1, 2020.

**FRIDAY CONNOISSEURS**

What a good time was had by 26 Grand Horizons residents at Tibby's in Brandon on Friday February 7. Some were worried about too much spice but 99.9% agreed that Tibby's was a hit. The decor was over the top. Very flashy and a lot of it. Our hostess was Rita Gattos. Another good job. Thank you, Rita.

March 13 Connoisseurs location is Fresh Country Cafe in Zephyrhills. Our hosts are Helene and Marty Rubenstein. Please use the signup sheet in the Community Center. Guest are welcome.

I am always looking for hosts. All it takes is a phone call or a visit to the establishment to set up for the group. You make a second call to give them your final headcount a couple of days before the lunch date. Any questions give me a call 813 715 9823.

Sandy Lindke

**SPONSORS**

PLEASE mention where you saw their advertisement when conducting business with our sponsors. It's their willingness to advertise with us that keeps this newsletter funded.

**Stamps for the Wounded Program**

This past month was one of the best we've had for stamps in quite a while. My estimate of stamps in the box is about 1000 stamps. Thanks to all who saved your stamps for the SFTW program. Our wounded Vets in the hospitals will keep busy and this will also help with their rehabilitation. I'm very proud of you all and I know the Vets are too.

Don't forget that U.S. stamps and foreign are acceptable.

If you have any questions about the program please feel free to contact me.  
I will be happy to share it with you.

**Please check your directory listing found on line at [grandhorizonsfl.com](http://grandhorizonsfl.com)**

**Go to Residents Only**

**There you will find Resident Directory.**

**Please check your listing.**

**Avenues are alphabetical and each resident is listed alphabetically on that Avenue. Then the Avenue is listed Numerically. Please check to see if your name is next to that address.**

**Once you have done this please let me know if you need any changes made. Change of email address, phone number or updating your picture. You can either send me an updated picture or I would be glad to take your picture. Either way it's a good idea to have one so your neighbors will know you. It's an easy way for everyone to put a face to a name and get to know you or you them. If you see someone in the directory that is no longer here, please let me know. I don't know everyone.**

**Please contact: Rita Gattos 813-355-3344 OR email me @ [rmg3956@gmail.com](mailto:rmg3956@gmail.com)**

### WELCOME COMMITTEE

Maureen Stephans and Rita Gattos have offered to take on the job of welcoming new residents to our community.

### FROM THE EDITOR

Thank you to everyone for the support I have received since starting as your newsletter editor. Cindy O'Brien has made me aware that she has resigned from her position as the calendar and event scheduling point person. (Hence the 'Open' in the points of contact list.) We thank Cindy for all her time and effort.

I will be taking on the role until a volunteer can be found. I look forward to my time being the shortest tenure ever at this position.

Clark Alexander - [newsletter@grandhorizonshoa.org](mailto:newsletter@grandhorizonshoa.org)

### FROM THE HOA PRESIDENT

I have been given the task of calming the unrest in the community. I am not a Magician or a Fairy God Mother. I seemed to have misplaced my wand. I suggest that ALL who have been a part of the situation, sit down, relax and think about how YOU are involved and what YOU can do to stop the hurtful words. Remember the game where there is a line of people and the first person in line whispers a sentence to the second person and it is passed down the line? By the time it reaches the end of the line it is so distorted and is not even close to the first persons statement. When you hear hurtful gossip let it stop with you and do not pass it on. Not everything you hear or read is true.

Anyone who volunteers for any position in the community only wants to do their best. The HOA Board is made up of 7 people. They make collective decisions and the majority rules. This is not going to make everyone happy but we have to abide by the ruling. These volunteers do not come with targets fixed to their backs. Just treat others like you would like to be treated. Everyone should get a fair shake but I know life is not fair. Consideration and tolerance are the key.

Craig works for the HOA but takes direction from the Board and the Facilities person. Please do not ask him to do tasks on community property. He can not have 300 supervisors. Bring your request to me or a Board Member. If you see something that needs attention, we will see that it gets taken care of as soon as possible.

Respectfully,  
Sandy Lindke, President GHHOA

### WARNING!

Lock your auto's and homes. On the morning of February 13 between 2:00 and 2:30 AM some unlocked cars in the community were entered. Private paperwork was thrown out to get wet or blow away. Three late teenage males in hoodies were seen walking between 37203 and 37301 Gill Ave which is on the cul-de-sac. They were walking in the direction of the fence and the rear of the properties. The resident did not call the police.

If you see people walking around in the night, especially if they are going up to or between homes, notify Zephyrhills Police.

Please check the fence behind your property for entry points and notify me to get them repaired.  
813 715 9823

Keeping your car keys close by your bed makes them available to press the panic button if an emergency arises. Someone will check out the cause of the alarm.

Lock your auto, home and shed.
