## OPEN LETTER FROM YOUR SOCIAL CLUB

Good morning to all.

Let me wish all a Happy New Year. A year for the community to get together, have some fun and bring your neighbor also.

Thanks to Fred and Pat Mengel and their team for a wonderful Baked Potato Dinner.

This new year we have many new things to look forward to. Games, Line Dancing, Card Making and Trips (both day and over night). Check your newsletter and calendar on the back page. We are always happy to see new faces at the Club House.

We would like to have your input on how we can improve. We are always open to that.

This year we will include activities during the summer. Let us know about your ideas. My hope is that you will participate and have fun.

If you are interested in writing an article, contact Clark Alexander, editor, at [newsletter@grandhorizonshoa.org](mailto:newsletter@grandhorizonshoa.org).

### Special Note:

If anything is donated to the Social Club or HOA, we will contact the owner before anyone says "let's get rid of it".

## RECIPIE OF THE MONTH

### English Trifle

Angel food cake

Sherry, rum, port or some kind of sweet juice

1 Package of Jello, any flavor, prepared as per package instruction

1 Package of vanilla instant pudding, prepared as per package

Cool Whip

Fresh fruit such as strawberries, peaches, pears or blueberries

Layer 1: 1 Angel food cake broken into pieces, in a large clear glass bowl. Pour sherry, rum or port over the cake, stirring it in and letting the cake absorb it and ensuring the cake is moist. Substitute a sweet juice if you prefer a non-alcoholic dessert, although sherry is traditional.

Layer 2: Prepare any Jello gelatin dessert according to the package. Pour it over the cake and refrigerate to let it set.

Layer 3: Prepare the vanilla instant pudding according to the package. Must be cold. Pour over the Jello and refrigerate for 30 minutes. This layer can be prepared with English custard if desired, or it may be after the fruit layer if you wish.

Layer 4: Any kind of mixed fresh fruit.

Layer 5: Enough Cool Whip (or whipped heavy cream) to cover the top.

Keep refrigerated until ready to serve. When serving, try and get each layer in each serving. - Frankie Alexander

I want to thank the community for all the cards and well wishes after my surgery.  
Thank you, Doug Lockard

Let's all get together and watch the game!

Let's start 2020 with Peace, Compassion, Consideration and Positive feelings

Disruption and unhappiness can start with a small wave of gossip or half truths and turn into a tsunami rushing through the community. Get both sides of the story, make your own conclusion and maybe smooth the waters. Harassment and bullying can not be tolerated. Life is too short and getting shorter every day.

Zephyrhills is a small town and gossip travels between communities. Your reputation is a very important asset. It goes every where you go and sometimes precedes you. It always catches up to you and is proven true or false.

Just because things are not done to your satisfaction, the way it was done up north or in another community does not make it wrong. New Math is not what we were taught but the results are the same.

The HOA Board is given the responsibility of maintaining, replacing or improving our common property. The common property is part of our investment and theirs. The Board has a very qualified attorney, licensed CAM and CPA to give them direction as needed. Our attorney helps draft Florida Laws for communities like Grand Horizons.

When Board members are elected or appointed that does not include their spouse, neighbor or best friend. All seven Board members will work for the benefit of our beautiful community. They will never make everyone happy but the majority rules.

If you have a concern or question talk to the Board member or persons involved. It is call COMMUNICATION, Folks.

May you all have PEACE, HAPPINESS and GOOD HEALTH for 2020. - Sandy Lindke

### SUNSHINE/BEREAVEMENT CONTACT

If you know of any resident that is hospitalized or if you know of a resident that passes away please contact Robbie Lockard at 813-453-1733. If you are unable to reach Robbie, you can call Ed Goldstein at 813-322-3543.

### Visit our sponsors!

Their advertisements are what keep this newsletter funded. Please mention where you saw their advertisement when conducting business with them!

Please attend the Social Club events. Your attendance is vital to keeping the Social Club going. Without the Social Club, we don't really have a community.

### Stamps for the Wounded Program

Thanks to all who saved your stamps over the Christmas/New Year holiday. Between you, the residents, a local church and some friends and neighbors I have (4) 1 gallon Ziploc type bags chucked full of stamps. I estimate about 30,000 stamps at this time to send to the Veterans.

This will be the 20th year that Grand Horizon residents have participated in the program. That is a great show of support and really appreciated by the Vets.

Some residents, especially new ones, are not aware of what it is all about. An article in the January Newsletter had an explanation of what the program entails. If you did not see it go to the Grand Horizons website and read it in the January newsletter or contact me, Ray Morris, 352-598-2386, or drop by 37543 Landis Ave and I will be happy to share the program with you.

Again, thank you for your help. Please continue to save your used stamps, U.S. and foreign, and deposit them in the box in the Community Center.— Ray Morris

**Notice from Rules and Regulations...**

As many of you have received the newest Rules and Regulations, please note that one of the changes regards fences. Under Section L - Fences item 5 specifies that "Fences which are constructed and affixed in a "post to post" manner are prohibited."

Currently, those residents whose homes have an existing fence are allowed to keep those fences. However, to keep the records up to date and insure that any future ALC requests regarding your fence can be successfully reviewed and approved we need each resident/homeowner to notify the ALC Committee Chair that you have a fence.

Please contact Bill Hucceby at [alc@grandhorizonshoa.org](mailto:alc@grandhorizonshoa.org) or drop a note for the ALC and notify us that you have a fence. Please make sure to include your street address and/or lot number and name. We will insure this noted in your records so that there won't be issues in the future. We are asking for all updates to please be sent to us by June 1, 2020.
